

Neverwinter Vault Modding Wiki

Welcome to the [Neverwinter Vault](#) Modding Wiki!

We are building up a collection of technical information for:

- [Neverwinter Nights EE](#)
- [Neverwinter Nights 2](#)

We are looking to be a repository of tutorials, help and guides for Toolset, Custom Content and some Scripting help. We encourage anyone wanting to contribute to create an account! Visit the [Neverwinter Vault Discord](#) for how to do so!

Please join us on the [Neverwinter Vault Discord](#) to discuss any big changes you might want to have happen to make it easier to use this resource.

If you want your own project space with locked down permissions administrated by yourself, ask us on Discord.

Current projects hosting documentation here are:

- [Neverwinter Nights Overhaul Project](#)

Find the Neverwinter Vault forum discussions here: <https://forum.neverwintervault.org/>

Other Useful Wikis

- [The Neverwinter Nights Lexicon](#) for NWN1 scripting tutorials and information - updated with Enhanced Edition content
- [The Neverwinter Nights Fandom Wiki](#) for NWN1 information, and some custom content information itself
- [The Neverwinter Nights 2 Fandom Wiki](#) for NWN2 information and scripting information
